BRIEF FOR: Director of Central Intelligence

SUBJECT : Letter for DCI Signature

1. The attached letter thanks Dr. F. W. Reichelderfer, retiring Chief of the Weather Bureau, for his assistance to the Agency in the past.

2. Dr. Reichelderfer has extensive contacts with scientists throughout the world, and he has been helpful to OSI on a number of occasions by reporting on his foreign trips and meetings with foreign scientists. He has also been used as an unofficial consultant and has participated many times in our meteorological intelligence conferences. Dr. Reichelderfer now plans to take a post with the World Meteorological Organisation of the United Nations, therefore his international scientific contacts should continue to be useful. It is thought that this expression of appreciation will encourage his continued cooperation with the Agency.
